Britain's nearest pub to France, the Coastguard has kept watch on the sea-front for more than 300 years - and a recent refurbishment means you can take in those spectacular bay views in style. In the summer, we have a beautiful terrace area, offering the opportunity to dine al fresco.

An historic sea-side pub and restaurant in St Margaret's Bay, The Coastguard invites you to dive in to superb food and drink while enjoying an epic view over the waves.

We pride ourselves on using the finest quality ingredients and top-quality suppliers only sourcing local where possible. Our burgers are made from 100% British beef and all our fish is locally sourced from around the Kent coast.

GET TOGETHER AT THE COASTGUARD
